Here is why you should choose TBT...

Tiny Turners is a fun, interactive introduction to school and the early learning process. Our goal is to introduce early academics during all of our daily activities which include: circle time, story time, music time, imaginative play, sensory exploration and gymnastics open play time. Our themed lesson plans are designed to promote learning through music and creative movement because we believe learning through play is the best way! With our small groups we are able to work with each child as an individual. Primary early academics are colors, shapes, numbers, letters, phonic awareness, & calendar basics.

Director Diane McClung runs the program with the help of teachers Lisa Lewellen, Alicia Buchanan & Karen Zaleski.

Children should pack a snack bag with their name on it, a spill free cup & spare clothes.
